

Welcome to Summer Maritime Academies, 2019!

Our experienced team of educators are looking forward to welcoming rising 1st-6th graders for the fun and exciting Academy dates listed below! The curriculum for each Academy has strong STEM components, mixed in with art, music, and fun! Choose one, two, or all three weeks to attend! Academies start at 8:30 and end at 3:00 each day. Please visit our website for more details, or email Amy Raley at araley@gulfquest.org.

Reel Adventure!

June 10th- 14th

Lights! Camera! Action!

Have you ever wondered about the JAWS of an apex predator? Or how GILLIGAN and the captain were SURIVORS on the island? And how did AQUAMAN breathe underwater? During this exciting week of Academy cadets will take some of our favorite nautical adventures from the big screen and dive in a little deeper to the details behind the stories! This academy is perfect for the movie connoisseur who loves, science, literature, art, and history! It will be a REEL ADVENTURE for all!

Surfin' Safari

June 24th-28th

Let's turn up the volume and put on our dancing shoes! Cadets will stay busy learning about the animated residents UNDER THE SEA in the Gulf of Mexico! The fun will continue into the estuary of Mobile Bay as cadets discover the other babies that grow up with BABY SHARK in our bay! The BEACH BOYS will inspire a surfin' STEM project, and cadets will troubleshoot the litter issues our community faces UNDER THE BOARDWALK! Come SAIL AWAY with us for a week of fun!

Lost in Literature

July 8th- 12th

Let your imagination run wild in this Academy! Cadets will dive between the pages of the greatest adventures ever published to discover new and exciting ideas! Captain Ahab and Moby Dick introduce conservation and mammals, while Captain Nemo and the Nautilus take us on an underwater adventure in a submarine! Robinson Crusoe and Fritz Robinson will tutor cadets on ingenuity and survival, and Long John Silver will share an impressive story about buccaneers and buried treasure! During this week in Academy cadets will be challenged with creative art projects, challenging STEM activities, and fun in the exhibits!

Cadet Information

Cadet's Name: _____ Entering Grade: _____ Age: _____ T-shirt size* (\$10.00): _____

Cadet's Name: _____ Entering Grade: _____ Age: _____ T-shirt size* (\$10.00): _____
